Errata: In a March 1996 article, "Macedonia:
 Balkan Miracle or Balkan Disaster?" by Duncan
 M. Perry, Andreas Papandreu was incorrectly
 stated to have been elected president of Greece
 in 1982. Papandreu was elected prime minister
 of Greece on October 18, 1981.

An editing error in the May 1996 issue
 resulted in an incorrect identification of
 Rwanda's Party for Hutu Emancipation
 (PARMEHUTU) as the Hutu People's Liberation
 Party (PALIPEHUTU) in Pierre Chretien's article,
 "Burundi: The Obsession with Genocide."

In the November 1996 issue, Quinliniac
 College was spelled incorrectly in Patricia
 Kelly's author biography.
